Panel Expert – Guidelines

BEE-2 Program Objectives

- Business environment immersion
- Critical thinking in ethical decision-making in business through scenarios
- Ethical defense through defending decisions to a live panel of business community leaders

Students will have gone through all seven ethical simulation scenarios and had 30 minutes to prepare to discuss these with the panel for each scenario.

The panel will then randomly select one of the seven scenarios to discuss with the group.

Discussions are limited to 10 minute discussions, however, the panel will have 10 minutes with all the students together for discussion and advice in conclusion of the program
